

**I have lost myself already four times, It's getting late, I am thirsty,
Now how do I find **Les Naudines Cottages** ?**

Quite simple if you follow... what follows, carefully.

If you are coming from the north, the north east or through BERGERAC :

- 1) Follow the **D936** to **BORDEAUX** – about 3 Kms. after **BERGERAC**, you come to a round-about with a Mc Donald's (no children, we don't stop here !) and a large supermarket on your right (Leclerc).
- 2) **Go straight on** following the **BORDEAUX** road for another 4 Kms. (the road widens to 3 lanes then narrows again to 2 lanes).
- 3) Just after its narrows again, you see a road sign indicating : **CUNEGES/POMPORT**.
- 4) **Turn left there** (this is the **D 16**), **Keep on the D 16** for about 4 Kms. (you will go through a small village called : **LE MONTEIL**).
- 5) A couple of Kms. after **LE MONTEIL**, you come to a stop signal. (this the junction with **D 14**), **Turn right** on the **D 14** following : **LA FERRIERE**.
- 6) Some 800 yards down you will see a little road on your left with signs indicating the direction to various wine properties such as : **Malveyrin-Larchère, Château-Monlong, Domaine des Cailloux**, (at this point, you will see 2 road signs on **D 14**, one indicating : **Sainte-Foy-la-Grande**, ahead and the other : **St. Laurent-des-Vignes**, behind).
- 7) **Take that road on your left** - cross a little bridge - pass a farm on your right called : **Les Naudines**, (**that's not us**) – then **take the first road on your right (Route Jean Mermoz)**, it is signed : **Les Naudines**, - another 300 yards and you arrive between 2 farms. **That's us**. (altogether, it takes about 15 minutes from **BERGERAC** to **Les Naudines Cottages**).

Now take a deep breath, relax,

you are on holiday!

If you are coming from **BORDEAUX** or **ANGOULEME** or anywhere from the **north-west** :

Go to **SAINTE-FOY-la-GRANDE** then follow the sign to : **MONBAZILLAC** (this is the **D 18** followed by **D 14**). Be careful when you reach **St. Philippe du Seignal**, abt. 4 Kms .after **Sainte-Foy**, the **D 14** is on your left in the middle of the village.

You will pass **LA FERRIERE** and about 2 Kms. after you will see a road sign indicating : **LES NAUDINES** on your right, **take that road on your right**, keep on for some **800 yards** and :

you are on holiday!
